Quote Request

Beverly has requested a quote for a new 14" laptop which will be used as her primary PC and reconfigure her existing HP Spectre as her backup.

Personal Note from Richard Ozsvath

Beverly - [**MODIFIED 07/13: Added dock, used 24" monitor, HDMI cable, and updated shipping charges**] Attached is my quote for a new 14" Lenovo ThinkBook Laptop, Intel Core i7, 16GB RAM, 512 GB SSD storage, It's plenty powerful and comes with a 3-year onsite warranty and accidental damage protection. We'll pre-configure the device before we ship the machine and then once you have it hand we'll migrate data from your HP machine to this new one. Since it will be under the RJOcares plan, there will be no extra charge for the services. Do I have your approval to proceed with the order? - Rich
